

## Industrial Cleaners

### Adhesive Remover

#### Benefits

- Powerful, bio-safe, solvent cleaner degreaser and adhesive remover
- Non-corrosive
- Compatible with most plastics
- Biodegradable
- Safer solution than most other industry standard removers
- Pleasant citrus scent

#### Instructions

Spray onto surface. Let sit for several seconds then wipe with an appropriate cloth or cleaning device. Wash off any remaining residue with water.

This citrus cleaner can be safely used on most surfaces, including paint, glass, porcelain, concrete, and many plastics and vinyls.

#### Applications

Designed to safely and powerfully remove adhesives and other tough substances across all industries and most surfaces including most plastic surfaces.

Removes adhesive residue from guns, hoses and other adhesive equipment.

Removes decal residue and is safe to use on most powder-coated surfaces.
